WHO

**Tennessee Department of
Health Hepatitis C Virus
Project ECHO**

ABOUT US

We are aiming to build a community of practice to share awareness, education, and resources given that hepatitis C cases are on the rise in Tennessee and are most pronounced among persons of reproductive age. The Tennessee Department of Health Hepatitis C Virus Project ECHO will focus on building treatment capacity for adult, postpartum, and pediatric clients.

TOPICS INCLUDE

- Adult, pediatric, and postpartum hepatitis C treatment
- Linkage to hepatitis C treatment and harm reduction services
- Drug-drug interactions
- Patient assistance programs
- Hepatitis C treatment within carceral settings
- Topics suggested by you!

PURPOSE

The Tennessee Department of Health Hepatitis C Virus Project ECHO will bring together several subject matter experts (SMEs) with adult hepatitis C, pediatric hepatitis C, and pharmacy expertise to discuss case presentations submitted by you. The SMEs will also provide brief didactic presentations at each session.

**Suggest a topic or submit a case for
an upcoming session!**

INTERPROFESSIONAL CONTINUING EDUCATION

CME

In support of improving patient care, Southeast AIDS Education and Training Center jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credential Center (ANCC) to provide continuing education for the healthcare team. SE AETC designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SW

As a Jointly Accredited Organization, Southeast AIDS Education and Training Center is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. [Southeast AETC] maintains responsibility for this course. Social workers completing this course receive 1 continuing education credits.
